Fines Related to a Chromebook:

Chromebooks and AC charger will be turned in to Live Oak High School, when requested, in satisfactory condition. Chromebooks will be inspected for damage. In the case of damage, the student/parent/guardian will be charged a fee for needed repairs, not to exceed the replacement cost of the Chromebook. Live Oak administration will make the final determination of any fees assessed. If a student fails to return the Chromebook, the student/parent/guardian will pay the replacement cost of the Chromebook.

Chromebook Insurance:

Knowing of this liability, your family might consider a very reasonable insurance option we've negotiated with Worth Ave. Insurance. Visit our custom insurance webpage (<https://my.worthavegroup.com/mhusdca%5C>), designed for our families to investigate and purchase insurance for their student's laptop. This is an optional service. Note that this insurance information is also posted on our district Website under Educational Technology at: <http://mhusd.org/technology>.
