I DATA AND ACCESS

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement – Most Recent Year

Live Oak High School (LOHS) is a comprehensive high school in the Morgan Hill Unified School District that serves students in

grades nine through twelve. Live Oak is located in a fast-growing suburban area that has managed to retain the aura of a small town. Students come from the cities of Morgan Hill and San Jose as well as the unincorporated areas of San Martin and Coyote Valley. The student population reflects the rich ethnic and socioeconomic diversity of the community.

Live Oak High School is committed to developing a learning environment that enables all students to meet or exceed the state standards. The staff continues to examine data to identify areas of student success and areas where programs and instruction can be improved. Live Oak is proud of its excellent academic programs, including 17 Advanced Placement courses in the curricular areas of Physics, Chemistry, Biology, Environmental Science, AB/BC Calculus, Computer Programming/Science, Statistics, English Language and Literature, U.S and World History, Government and Politics, French, Spanish, and Studio Art. We are also proud of our strong athletic and other extracurricular programs, and the wide variety of support services we provides for our students. These educational opportunities have led to Live Oak High School's overall graduation rate rising to 98%, with critical subgroups exceeding 96%, among the very highest in our county. Live Oak garnered two prestigious awards in 2015. A California Gold Ribbon School Award was received in honor of our counseling and support services provided to our students. Project Cornerstone awarded Live Oak the Caring High School Climate Award honoring our excellent school climate of acceptance and tolerance. We were the only high school so honored in a region extending from South San Francisco to Salinas.

LOHS continues to provide a strong after school tutorial program through the California Student Opportunity and Access Program (Cal-SOAP). In addition, dedicated math and science tutoring are also provided through our counseling dept. These services include all levels of mathematics, with a focus on geometry and algebra. We provide individualized support for students who need to remediate courses in which they were unsuccessful and/or pass the California High School Exit Exam (CAHSEE) through the online Cyber High/PASS program, a blended learning support program, and individualized instruction. A dedicated blended learning model intervention center, along with our library computer center are provided as locations for these services as well as for use by regular classes. Both facilities are open both within and outside the school day. We have expanded the sections of our AVID program as an additional means of support. We also initiated a peer tutoring class, called Teacher Cadets. Juniors and Seniors in this class are trained in AVID strategies and serve as in-class tutors in many of our freshman and sophomore classes. This program will expand to become a component of our Leadership/ASB classes in 2014/15.

LOHS seniors were commended by the National Merit Scholarship Program and local students of the year for both Rotary and the local Chamber of Commerce.

We will continue to align curriculum, assessments and instructional practices to the Common Core State Standards; continue and refine current, and implement new schoolwide strategies to support English learners; and develop common writing across the curriculum strategies. We will focus staff development on instructional practices with an equity lens to support learning for all of our students. District provided training in the Constructing Meaning instructional strategies program will continue this year, further deepening and extending the Literacy/Academic Language instructional skills garnered from the 2013/14 and 2014/15 professional development provided by Adams Educational Consulting. That training also provided skill sets for our teaching staff on proven best instructional practices, school wide instructional norms, and aligning instruction and content to the Common Core State Standards. Collaboration and professional development meeting time continues every Wednesday morning.. This valuable asset allows for the powerful process of teacher collaboration to become routine, further enhancing the education we offer our students. Peer observations and teacher "walk-throughs" also continue, having expanded to include all staff members as well as members of our community. These important tools allow for staff members to see each other in action and help to normalize curriculum and overarching practices campus wide. Staff collaboration will also focus on the implementation of the Common Core State Standards, school climate and increasing inclusion of all student subgroups into the many excellent opportunities we offer. To that end, Live Oak has committed to a partnership with Project Cornerstone and the development of key assets needed in a young persons life in order to garner success. English 9 and 10 classes, specifically designed and instructed using focused ELL strategies are in their second year of existence. These classes serve long term ELL students.

Many groups contribute to our decision-making process. Our School Site Council (SSC), composed of the principal, parents, students, and faculty, makes decisions about our curriculum, school policies, and budget. Our English Language Advisory Committee (ELAC) includes many parents of English learners and one teacher who is bilingual in English and Spanish. The ELAC helps to shape our program for English learners. Our faculty also meets regularly with the principal to analyze student achievement data and discuss program improvements. This year our staff continued to utilize performance data to support instructional practice and student achievement. In addition, Student Voices, a group of students from a cross-section of our population continues to be a major contributor to our school climate. Current work focuses on facilitating our Project Cornerstone initiative as well as a program to welcome and mentor new students as they arrive during the matriculating school year.

We have Resource Specialist Program teachers, Special Day Class (SDC) teachers, and instructional assistants who work with our special education students. In addition, 2015/16 marks the second year of service for the district's moderate/severe E.D. student class, as well as the inaugural year for a moderate/severe class serving autistic students.

Students with disabilities who require more structured and intensive support enroll in our SDC and take most of their academic subjects with the SDC teacher. Two classroom assistants also work with these students. Special education staff works with students and their families to devise a plan for them after they leave our school.

Level 1 and 2 English learners receive intensive instruction focused on fluency and comprehension skills in English. Students also meet with these teachers at lunch, after school, or during study hall to receive support with their coursework. We place our English learners in regular classrooms as soon as they achieve a basic level of comprehension. Our teachers are either Cross-cultural Language and Academic Development (CLAD) certified or Specially Designed Academic Instruction in English (SDAIE) trained. The percentage of ELL students gaining proficiency in English and attaining an RFEP status, has steadily climbed over the last three years.

Spanish-speaking tutors work in mainstream math classes with our emerging language students. We also offer two sections of CAHSEE Math prep support class for English Learners, which is taught by two credentialed teachers. We encourage the parents of English learners to join our ELAC. We depend on the ELAC to help improve and expand our English Language Development (ELD) program as our English learner population continues to grow. We meet every month. 9th grade English class serving incoming ELL's, incorporating ELD strategies. We also have incorporated the intensive reading programs, Read 180 and System 44, into our special education English courses which serve English Learners with special education support services.

Guidance counselors hold grade-level parent meetings and college nights to inform parents of college entrance requirements and financial aid opportunities. They communicate with families about testing dates, upcoming visits from college representatives, financial aid seminars, and application deadlines. The career center is well supplied with information about colleges, universities, and trade schools. An additional Counseling position was provided by the district this year. That individual focuses on the college preparedness and academic/social needs of our struggling subgroups. Initiated in 2014/15 and expanding this year will be field trip opportunities to universities for our students whose demographic subgroups are underrepresented in college ranks. The trips are slated to expand from San Jose State University, to Stanford and UC Berkeley.

By offering courses for a wide range of skill levels as well as support classes, most students find that they can succeed at our school. Our strong ROP and vocational education programs for students who are not college bound motivate students to complete high school. Our counselors meet with students individually and in groups to help them with personal problems. We also connect students with further counseling through community agencies. If a student exhibits poor attendance, we contact the parents and hold a conference with them and the student. Often we can devise a plan that will keep the student in school. In some cases we refer a student to our continuation high school. We have a difficult time following up on dropouts because of the pitfalls associated with tracking students once they leave our school.

We will improve communication with parents, students, and the community through the redesigned school Web site and training our teachers to use technology both as an instructional tool as well as a communications tool.

We are addressing the items identified in our WASC action plan around differentiated instruction and refinement of curriculum maps, pacing guides, and benchmark assessments. Parents are vital to the success of all of our endeavors, and we invite you to join us for a new year of growth and accomplishment.

In academic year 2010/11 a new position was created at Live Oak and across the district. This position, Bilingual Home/school Liaison, continues with a primary goal of gaining the involvement and support from parents of our ELL students. The migrant counselor position proactively seeks out struggling students and creates a partnership between their parents and our school.

Student Enrollment by Grade Level (School Year 2014-15)

Grade Level	Number of Students
Grade 9	268
Grade 10	270
Grade 11	257
Grade 12	254
Total Enrollment	1050

Student Enrollment by Student Group (School Year 2014-15)

Student Group	Percent of Total Enrollment
Black or African American	2.1%
American Indian or Alaska Native	0.2%
Asian	4.9%
Filipino	2%
Hispanic or Latino	50.5%
Native Hawaiian/Pacific Islander	0.8%
White	38.6%
Two or More Races	0.3%
Socioeconomically Disadvantaged	37.3%
English Learners	12.6%
Students with Disabilities	9.1%
Foster Youth	0.1%

A. CONDITIONS OF LEARNING

STATE PRIORITY: BASIC

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School 2013-14	School 2014-15	School 2015-16	District 2015-16
With Full Credential	44	48	45	382
Without Full Credential	3	4	4	15
Teaching Outside Subject Area of Competence (with full credential)	2	1	3	19

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	2	0	0
Total Teacher Misassignments*	2	0	0
Vacant Teacher Positions	0	1	0

NOTE: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2014-15)

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	97%	3%
All Schools in District	98.37%	1.63%
High-Poverty Schools in District	99.33%	.67%
Low-Poverty Schools in District	97.86%	2.14%

NOTE: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials – Most Recent Year

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Month and year in which data were collected: December 2015

Subject	Textbooks and instructional materials/year of adoption	From most recent adoption ?	Percent students lacking own assigned copy
Reading/Language Arts	McDougal Littell/Houghton Mifflin: Literature of Language NorthStar Focus series EngageNY Bedford St. Martin's: The Bedford Introduction to Literature, Bedford St. Martin's: The Language of Composition: Reading Writing Rhetoric	yes	0%

School Facility Conditions and Planned Improvements – Most Recent Year

The campus buildings are 36 years old, and during the past ten years we have upgraded nine of the classroom buildings, expanded the library, refurbished the 500, 700, and 600 buildings, modernized the boys locker room, theater and amphitheater.

As you drive up to Live Oak High School you will see our newly completed facade. The flowing canopy walkways and the glass windows and doors are a very welcoming entrance to the site. The students and staff also get to enjoy the newly modernized theater and amphitheater. The beautiful store front design makes for a dramatic entrance into the foyer.

Canopies structures with photovoltaic (solar) panels were recently installed in the student parking lot, staff parking lot, black top area and the agriculture farm. These panels will generate approximately 80% of Live Oak's energy needs.

The girls locker room was recently modernized and half of the old locker room was transformed into a new dance room.

Maintenance, Grounds and the custodial staff continue to work together to provide a safe, clean and well maintained learning environment to help support student achievement.

As part of the Measure G Bond funds, Live Oak received a technology infrastructure upgrade which included WiFi for every classroom and exterior of the campus, a new phone system and a new clock/public address system. In fall 2015 all students were issued Chrome books.

New synthetic turf was added to the football stadium and the track was resurfaced in the summer of 2014.

School Facility Good Repair Status – Most Recent Year

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

Month and year in which data were collected: January 2016

System Inspected	Repair Needed and Action Taken or Planned			
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	✓	-	-	
Interior: Interior Surfaces	✓	-	-	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	✓	-	-	
Electrical: Electrical	✓	-	-	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	✓	-	-	Hydration station (water bottle filler) was installed fall 2015.
Safety: Fire Safety, Hazardous Materials	✓	-	-	
Structural: Structural Damage, Roofs	✓	-	-	Roof replacement on the library and 800 building fall 2015.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	✓	-	-	

Overall Facility Rate – Most Recent Year

Month and year in which data were collected: January 2016

	Exemplary	Good	Fair	Poor
Overall Rating	-	✓	-	-

B. PUPIL OUTCOMES

STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress Results for All Students – (School Year 2014–15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts/ Literacy (grades 3-8 and 11)	76%	49%	44%
Mathematics (grades 3-8 and 11)	35%	40%	33%

NOTE: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA - Grade 11

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Achievement			
				Level 1*	Level 2*	Level 3*	Level 4*
All Students	250	239	95.6%	8%	15%	33%	43%
Male	250	126	50.4%	11%	21%	31%	37%
Female	250	113	45.2%	4%	10%	36%	50%
Black or African American	250	8	3.2%	--	--	--	--
American Indian or Alaska Native	250	2	0.8%	--	--	--	--
Asian	250	18	7.2%	11%	6%	28%	56%
Filipino	250	7	2.8%	--	--	--	--
Hispanic or Latino	250	86	34.4%	16%	22%	35%	27%
Native Hawaiian or Pacific Islander	250	3	1.2%	--	--	--	--
White	250	114	45.6%	2%	12%	32%	53%
Two or More Races	250	0	0%	--	--	--	--
Socioeconomically Disadvantaged	250	70	28%	14%	23%	36%	27%
English Learners	250	15	6%	40%	33%	27%	0%
Students with Disabilities	250	28	11.2%	46%	29%	11%	14%
Students Receiving Migrant Education Services	250	3	1.2%	--	--	--	--
Foster Youth	--	--	--	--	--	--	--

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

NOTE: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

- * Level 1 = Standard not met
- Level 2 = Standard nearly met
- Level 3 = Standard met
- Level 4 = Standard exceeded

Mathematics - Grade 11

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Achievement			
				Level 1*	Level 2*	Level 3*	Level 4*

Asian	75%	Students Receiving Migrant Education Services	35%
Filipino	–	Foster Youth	–
Hispanic or Latino	35%		

NOTE: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Career Technical Education Programs (School Year 2014-15)

Students enroll in a wide range of vocational education and/or ROP courses. We also offer students the opportunity to be a part of our very successful FFA/Agricultural program. Parents and other community members and business partners visit classes and share their professional experiences with students. Students take aptitude surveys and discuss the results and options with their guidance counselor. We also set up student internships, volunteer opportunities, and community service options through the career center.

Our partnerships with local businesses include consultations about our career preparedness programs. We invite input from professionals who support our school and hire our graduates. We also survey students and parents every spring. This crucial feedback helps us to maintain a high standard of success in preparing our students for their working lives.

CTE programs offered at Live Oak:

- Beginning/International Foods, Advanced Culinary Arts
- Digital Photography
- ROP Art & History of Floral Design
- ROP Veterinary Science
- ROP Cabinet Making
- ROP Construction Technology
- Woodworking
- Visual communications I and II
- ROP Advanced Multimedia
- ROP Graphics
- ROP Fashion Design/Textile Arts
- Computer Business Applications
- ADv Journalism/Technical Writing (ROP)
- ROP Intro to criminal Justice

Career Technical Education Participation (School Year 2014-15)

Measure	CTE Program Participation
Number of pupils participating in CTE	391
Percent of pupils completing a CTE program and earning a high school diploma	45.6%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100%

Courses for University of California and/or California State University Admission

UC/CSU Course Measure	Percent
2014-15 Pupils Enrolled in Courses Required for UC/CSU Admission	99.44%
2013-14 Graduates Who Completed All Courses Required for UC/CSU Admission	62.93%

STATE PRIORITY: OTHER PUPIL OUTCOME

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

California High School Exit Examination Results for All Grade Ten Students – Three-Year Comparison (if applicable)

7			
9	13.8%	26.8%	17.6%

NOTE: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. ENGAGEMENT

STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement - Most Recent Year

We have many ways for parents to participate in the life of our school, and we depend on their support. Parents can join our SSC, ELAC, Athletic Boosters, Future Farmers of America Boosters, Emerald Regime Boosters (marching band), and Home and School Club. The Home and School Club sponsors a variety of support activities for the students; parents serve as chaperones at dances and provide classroom supplies. They also host a Staff Appreciation Day each May. Parents are also actively involved in our WASC process. Booster organizations fund raise and provide much needed assistance to the programs they support. In 2013/14, an outreach to our Hispanic parents began, and continues into 2015/16. Informal meetings called "Coffee with the Principal" began. These bi-monthly opportunities for parents to become familiar with our school and staff have proven very beneficial at removing barriers between our school and parents who formerly had minimal or little interaction with their children's schools. We ask all parents to attend Back-to-School Night in the fall, grade-level parent nights, Green and Gold Awards, and Senior Awards in the spring. We always need new volunteers! The contact person for parent involvement is the principal, Lloyd Webb.

STATE PRIORITY: PUPIL ENGAGEMENT

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
Dropout Rate	7.1%	1.6%	.6%	8%	3.4%	1.1%	13.1%	11.4%	11.5%
Graduation Rate	89.59%	97.66%	92.39%	88.11%	93.19%	89.24%	78.87%	80.44%	80.95%

Completion of High School Graduation Requirements – Graduating Class of 2014

Group	School	District	State
All Students	93.5	86.43	84.6
Black or African American	66.67	76.92	76
American Indian or Alaska Native	100	75	78.07
Asian	108.33	93.88	92.62
Filipino	100	90.91	96.49
Hispanic or Latino	88.99	79.67	81.28
Native Hawaiian/Pacific Islander	100	100	83.58
White	96.4	92.17	89.93
Two or More Races	100	100	82.8
Socioeconomically Disadvantaged	89.47	79.07	81.36
English Learners	55.56	56.94	50.76
Students with Disabilities	90.63	73.02	61.28
Foster Youth	–	–	–

STATE PRIORITY: SCHOOL CLIMATE

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate*	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Suspensions	6.63	9.94	6.86	6.22	5.67	3.77	5.07	4.36	3.8
Expulsions	.17	0.27	0.29	.27	.22	.25	0.13	0.1	0.09

School Safety Plan – Most Recent Year

The assistant principals and our campus supervisors monitor the grounds for half an hour before classes begin and for half an hour after dismissal. A school resource officer is assigned to our campus daily. He works closely with staff and students to support student achievement. Visitors must sign in at the office. We revise our School Safety Plan annually. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We make the plan available on our school Web site and keep copies in the office for parents. We share the plan with all staff during a schoolwide staff meeting. We practice fire and earthquake drills yearly as required by law and hold trainings for staff on emergency preparedness. We hold annual “intruder on campus” drills to familiarize students and staff with necessary lockdown procedures. The Morgan Hill Police Department trains our students and staff on Code Red procedures. We use the Connect-Ed message system to communicate with parents about issues of school safety.

D. OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Adequate Yearly Progress Overall and by Criteria (School Year 2014-15)

AYP Criteria	School	District	State
Made AYP Overall	Yes	Yes	Yes
Met Participation Rate - English-Language Arts	Yes	Yes	Yes
Met Participation Rate - Mathematics	Yes	Yes	Yes
Met Percent Proficient - English-Language Arts	N/A	N/A	N/A
Met Percent Proficient - Mathematics	N/A	N/A	N/A
Met Attendance Rate	N/A	Yes	Yes
Met Graduation Rate	Yes	Yes	Yes

Federal Intervention Program (School Year 2015-16)

Indicator	School	District
Program Improvement Status	N/A	In PI
First Year of Program Improvement	N/A	2009-2010
Year in Program Improvement*	N/A	Year 3
Number of Schools Currently in Program Improvement	N/A	5
Percent of Schools Currently in Program Improvement	N/A	38%

NOTE: Cells with NA values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	Avg. Class Size	2012-13 Number of Classes*			Avg. Class Size	2013-14 Number of Classes*			Avg. Class Size	2014-15 Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	27	8	16	12	28	11	13	19	27	6	18	9
Mathematics	28	5	17	14	27	13	7	21	28	7	16	13
Science	30	4	9	13	30	3	10	16	30	4	15	12
Social Science	30	4	14	16	31	4	5	22	26	8	17	8

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2014-15)

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2	
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (Librarian)	1	N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist	.5	N/A
Social Worker		N/A
Nurse	.17	N/A
Speech/Language/Hearing Specialist	.33	N/A
Resource Specialist (non - teaching)	3	N/A
Other	.7	N/A

NOTE: Cells with N/A values do not require data.

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2013-14)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$4,537	\$77	\$4,460	\$62,638
District	N/A	N/A	\$5,312	\$67,099
Percent Difference – School Site and District	N/A	N/A	-16.04%	-6.65%
State	N/A	N/A	\$5,348	\$69,257
Percent Difference – School Site and State	N/A	N/A	-16.60%	-9.56%

NOTE: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2014-15)

Our afterschool tutoring programs are multi-funded through our new LCFF structure and are for students whose skills are below grade level or who need assistance in their classes. We provide bilingual tutors where possible and buy supplemental materials for our English learners. We also use intervention monies to provide online support for students who are in danger of not passing the CAHSEE and/or recouping credits.

Various booster organizations engage in fund raisers. Athletic Boosters fund-raise for athletic equipment, uniforms, and transportation to games. Our Future Farmers of America Boosters hold an annual auction to support scholarships. Band Boosters fund-raise for equipment, competitions, and uniforms. Parents request donations from our school community to cover the expenses of special events such as our local grad night event.

Teacher and Administrative Salaries (Fiscal Year 2013-14)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$43,939	\$42,315
Mid-Range Teacher Salary	\$67,642	\$66,451
Highest Teacher Salary	\$85,596	\$85,603
Average Principal Salary (Elementary)	\$103,750	\$105,079
Average Principal Salary (Middle)	\$106,023	\$111,005
Average Principal Salary (High)	\$128,178	\$121,310
Superintendent Salary	\$210,000	\$189,899
Percent of Budget for Teacher Salaries	36%	39%
Percent of Budget for Administrative Salaries	5%	6%

NOTE: For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement Courses (School Year 2014-15)

Subjects	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science		N/A
English	1	N/A
Fine and Performing Arts		N/A
Foreign Language	2	N/A
Mathematics	5	N/A
Science	4	N/A
Social Science	5	N/A
All courses	17	0.6%

NOTE: Cells with N/A values do not require data.

* Where there are student course enrollments.

Professional Development - Most Recent Three Years

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Our teachers attend staff development opportunities at conferences offered state-wide and participate in staff development during weekly collaboration and department meetings. Staff training sessions are devoted to aligning our curriculum and instructional practice to common core standards, standardizing formative assessment results, designing lessons with a focus on academic literacy, exploring techniques for engaging students of different performance levels, and discussing the latest research related to English learners. Teachers and administrators look at multiple measures of student learning and review pressing issues from the previous year to choose specific topics. In 2013/14, and continuing through 2014/15,, Adams Educational Consulting provided professional development in best practices, with a focus on academic literacy/language and aligning practices to the requirements of the Common Core State Standards. District provided training in the Constructing Meaning Academic Literacy and Language program began in 2014/15, with one-third of the staff trained. Training for the next one-third of our teachers will occur in '15/'16, with the remaining staff members trained in '16/'17. This program deepens and extends many of the valuable concepts garnered via our work with Adams Educational Consulting.
