SUMMER SCHOOL OVERVIEW

Live Oak High School Summer School will be available for students here at Live Oak through the Cyber High PASS program. Cyber High PASS is an accredited program.

Students must first meet with their Academic Counselors to review course(s) needed and complete the Summer School registration form. There is a maximum of 2 courses per student. Your Academic Counselor will determine morning or afternoon sessions (students taking 2 courses will be expected to attend all day). Students will then submit their registration form along with payment to JoAnne Markowska in the Counseling office.
