## Graduation Day Preferred Parking

It may only be March, but it never hurts to plan ahead!! With Graduation Day fast approaching, it's time to consider getting "Graduation Day" Preferred Parking. As tradition would have it, Live Oak Grad Night is managing the preferred parking ticket sales.

Preferred parking includes the parking spaces in the Student Parking Lot. These spaces start at the beginning of the tennis courts and extend to the football field. The cost is \$25 per parking space - all proceeds will benefit Safe and Sober Grad Night. To reserve your space in the "preferred parking lot", place a check (payable to LOSSGN) or cash in an envelope with your NAME, PHONE NUMBER, and NUMBER OF PASSES. Then drop off the envelope in the GRAD NIGHT BOX located under the window at the ASB office. We will be distributing preferred parking passes from 3:30 – 6:30pm at the Live Oak Gym on Wednesday, June 7<sup>th</sup>, the day before Graduation. It may be hot that day, so it would be a plus to park closer!

Thank you for supporting Safe and Sober Grad Night!
