OLD BUSINESS:

APRIL 25-29th: 14 of our active members had the amazing opportunity to attend the 91st Annual State FFA Conference! In this exciting, four-day conference, our students joined nearly 8,000 other FFA members in multiple leadership workshops and sessions. Two of our delegates, Serena Wood and Shae Urbina, spent there of their time voting for the new State FFA Officers and a number of proposed motions by the State Officer team.

These sessions consisted of multiple keynote speakers, students talent shows, competition results, awards, and many other notable things! Moreover, we were lucky enough to have for the second year in a row our very own Rudy Vega perform at State Talent as well where he was treated like the celebrity that he is! If you'd like to watch his performance, see next page!

Students learned that simply by BELIEVING in one's self and each other, anything is possible!

MAY 2nd: Drive Thru BBQ was a success! Thank you to all of the alumni, parent, and student volunteers who made the event possible! All profits will go directly back to the program for future FFA events. Be on the look-out for next one, next school year in the Fall!
